## **HOTEL OCCUPANCY TAX REVENUE USES**

The use of HOT funds is dictated by State law and defined in the Texas Tax Code (Subtitle D. Local Hotel Occupancy Taxes; Chapter 351. Municipal Hotel Occupancy Taxes). The HOT funds are generated as a result of a person who pays for the use or possession, or for the right to the use or possession of a room in a hotel, motel, or bed and breakfast, with a cost of \$2 or more each day, and is ordinarily used for sleeping not on a permanent basis. **There is a two-part test that EVERY expenditure of local hotel occupancy tax must meet to be valid:**

**Part One:** Every expenditure must DIRECTLY enhance and promote tourism AND the convention and hotel industry.

**Part Two:** Every expenditure of the hotel occupancy tax must clearly fit into one of the six statutorily provided categories for expenditure of local hotel occupancy tax revenues, which are defined below:

- **Convention Centers & Visitor Information Centers:** the acquisition of sites for and the construction, improvement, enlarging, equipping, repairing, operation and maintenance of convention center facilities or visitor information centers or both.
- **Registration of Convention Delegates:** the furnishing of facilities, personnel, and materials for the registration of convention delegates of registrants.
- **Advertising and Conducting Solicitations and Promotional Programs to Attract Tourists and Convention Delegates:** advertising and conducting solicitations and promotional programs to attract tourists and convention delegates of registrants to the municipality or its vicinity.
- **Promotion of the Arts:** the encouragement, promotion, improvement and application of the arts, including instrumental and vocal music, dance, drama, folk art, creative writing, architecture, design and allied fields, painting, sculpture, photography, graphic and craft arts, motion pictures, radio, television, tape and sound recording, and other arts related to the presentation, performance, execution and exhibition of these major art forms.
- **Historical Restoration and Preservation Projects or Activities:** historical restoration and preservation projects or activities of advertising and conducting solicitations and promotional programs to encourage tourists and convention delegates to visit preserved historic sites or museums: (a) at or in the immediate vicinity of convention center facilities of visitor information centers; or (b) located elsewhere in the municipality or its vicinity that would be frequented by tourists and convention delegates.
- **Sporting Event Expenses Related to Sporting Events Which Substantially Increase Economic Activity at Hotels:** for a municipality located in a county with a population of 290,000 or less, expenses, including promotion expenses directly related to a sporting event in which the majority of participants are tourists who substantially increase economic activity at hotels and motels within the municipality or its vicinity.
